GEV Catering Spares Ltd.

Ready with the right part when you need it

GEV — Europe's finest spare parts service

The GEV GROUP is Europe's leading group of wholesalers specialising in the supply of spare parts for catering equipment. 50,000 spare parts from more than 300 manufacturers can be supplied from its central warehouse. Around the world, 15,000 customers (specialist dealers, repair engineers and international distributors) appreciate this extensive stock service. By guaranteeing an immediate parts despatch, it is possible to offer next day delivery.

GEV Catering Spares Ltd.

Our UK subsidiary, located in Grantham Lincolnshire, was founded in 2010. Its highly motivated staff with proven experience in the catering equipment sector are ready to deal with your technical queries and handle orders.

The spare parts business is the one we know best – and we are especially aware that time is of the essence for our customers. As such, we will always endeavour to handle enquiries as efficiently as possible.

More than 50,000 spare parts in stock every day

GEV stocks and supplies a comprehensive range of spare parts – each of the 50,000 items are specifically designed for commercial catering equipment.

Catalogues designed for professionals

GEV's catalogues are designed to be used by specialist dealers and repair engineers, as well as manufacturers of catering equipment.
